Minutes of
ANNUAL MEMBERS MEETING
IOWA NUMISMATIC ASSOCIATION
October 15, 1989

President JoAnn Peters convened the annual INA members meeting at 9:15 a.m. in Room 912, Westmark Convention Center, West Des Moines, Iowa.

Present were:

JoAnn Peters	Bob Douglas
Robert Simon	Marilyn Douglas
Ray Lashmit	Harry Peters
Dick Trytten	Ward Kain

Reading of the minutes of the annual board meeting were dispensed with since the only persons present had attended the board meeting and previously reviewed those minutes.

Bob Douglas made a motion, seconded by Ron Lashmit, that a special thanks be extended to Gawain O'Connor for the sole exhibit at the convention and further that a complimentary 1988 and 1978 bronze INA medal be transmitted to Mr. O'Connor. Motion carried.

There was general discussion of having the 1991 convention in Des Moines and the place to have it. The secretary was instructed to explore the facilities available for 1991.

Meeting was adjourned at 10:05.

Secretary

AIM & ACTIVITIES I'D LIKE TO SEE HAPPEN IN 1990- I sincerely believe that educational programs are the most important thing in Numismatics, particularly for the younger members so that they may cope with the intricacy of collecting. Also, I would like to see more emphasis put on our existing coinage because they really are the collector coins of the future.

FROM THE PRESIDENT:

I hope to again see and visit many of you a Coin-A-Rama March 3rd in Ames, when your Board has its mid year meeting. We will be there all day Saturday, but must return to Kanawha that evening, as I am "nurse" for my father-in-law who had surgery and I change the dressings for him twice a day.

The Collector has a very good chance of finding the coins he needs, plus those who have coins to sell have many buyers for them at shows like Coin-A-Rama. Because of its central location in the state, many collectors and the public have access to the Show. This also gives you a chance to visit and meet the ones you have elected to serve you.

I hope yopu all are supporting the Coin Shows near you, too. There are a lot of jobs to a successful show. The old saying "Many hands make light work" is never more true than for a Coin Show. Offer your help to your Club, and you and your Club will be the winner.

Donations toward the trailer to haul our shippers with display cases in, are still needed. Have you done your part?

If you or your Club have problems the I.N.A. Board can help you with, please contact us at Ames or by letter. The addresses are in the back of the "Collector".

I hope that each one of you are adding to your collection, or studying the coins you have as to history of the coins, medal made of, why the portrait is on the coin, etc. Share your knowledge with your fellow collectors. We have a wealth of knowledge in our collectors. Let's see if we can help someone else by sharing.

Plans for our late August State Show are coming along well. We have a very talented Connie Francis as General Chairman at Cedar Rapids, and a good Club willing to work for a good show to help her.

I want to thank, on behalf of the I.N.A., each Club's officers and Board of Directors and each Club show Chairman for great jobs done! Keep up the good work, and our I.N.A. will be bigger and better than ever.

FROM THE EDITIOR:

I am very happy to get the opportunity to again communicate with you. It has been very hectic around here since before Christmas. My man "Friday", Ray Ryan, has been down South for the Winter and leaves me very short handed. But, like I said, here I am finally.

Of extreme importance to all of you is the pending legislation trying to change the requirement for 1099 forms which are used to report all bullion transactions. Call your Senator and Congressmen and tell them we need this legislation to keep the I.R.S. from infringing on our rights.

Short and sweet is the way I like to keep things, so the last bit of info will conclude my passage this quarter. When I was preparing the last "Iowa Collector" that you received, I realized just hot popular our bulletins had became. Such a fantastic job have I been doing, that the demand for the "Iowa Collector" has doubled in only one quarters time. Yes, that's right, doubled! The printing company which print, fold, staple, and trim our bulletins called Ray and told him that the bulletin was done. Ray told them he would be right out to pick up the bulletins and to set them on their ledge, which is directly behind our shop. In the few minutes that passed, the bulletins entered never never land and must have been distributed to some of the local hoods who are interested in converting their assets into numismatic material.

See you next quarter.

Minutes of
BOARD OF DIRECTORS MEETING
Iowa Numismatic Association
October 14, 1989

The INA Board of Directors meeting was held at 2:00 p.m. on October 14, 1989, in Room 912 of the Westmark Convention Center in West Des Moines, Iowa.

Present were:

JoAnn Peters	Harry Peters
Robert Simon	Bob Douglas
Ward Kain	Richard Trytten
Lester Rominger	Marilyn Douglas
	Leonard Owen

President Peters called for a moment of silence in remembrance of members who have passed away during the past year.

The president called for review of the February 7, 1989, meeting minutes, which were in the hands of those present. The minutes were accepted upon motion by Bob Douglas and second by Ward Kain.

The treasurer did not present a complete report of balance on hand but stated that the Association has presently in the convention account $2,320.00, in INA savings account $1,873.00 and in checking $800.00.

Since the treasurer's report is incomplete, no action was taken to accept it.

The president called for old business and a discussion followed concerning the level of contact of district representatives with the various clubs in their areas.

The subject of a trailer to transport coin cases and their shippers followed. It was suggested that perhaps some of the cases should be sold.

Harry Peters moved, with a second by Leonard Owen, that Ward Kain and Bob Douglas be authorized to search for and purchase at a cost not to exceed $750.00 a trailer suitable to store and transport exhibit cases. Motion was carried.

Bob Douglas requested permission to incur the expense necessary to secure key for 4 cases. Motion was made by Ward Kain, seconded by Lester Rominger, that permission be granted and further that Mr. Douglas be granted permission to repair locks as necessary. Motion carried.

New business was called for. It was the consensus of the board that the phone number of the president and secretary should be published in the "Collector".

JoAnn Peters presented a requested to be reimbursed for a floral offering and memorial in the total of $25.00 transmitted to the family of Gene Morris.

President Peters also announced the invitation of the Cedar Rapids Coin Club to host the 1990 INA convention.

There being no further business, the meeting was adjourned.
